Italica is a company that was formed in 2004 with the idea of filling the void of excellent quality tiles in India. Over the years, Italica has grown into one of the leading suppliers and distributors of large format wall and floor tiles in India.

Italica has a distribution network that supplies tiles to independent and national retailers not only in the country, but we have also forayed into the international market in the last few years. In addition, our experienced retail sales team is readily available to offer premium merchandising advice and support for showrooms.
